Summary: Mullen and Darity give a little historical context before highlighting and answering some common questions about reparations. They also describe the total that is needed (\$10-12 Trillion) to completely close the wealth gap. Common themes in the questions and answers revolve around how payment could be made, how it should be viewed from a global perspective, and how to balance reparations with other initiatives.

👉 Take Action!

Use the FAQ at the end of the article during conversations about reparations. Read the book on which this article is based for more in-depth analysis and information on reparations.
