Summary: The article cites research suggesting a decline in support for the Black Lives Matter Movement as of November 2020. The author acknowledges what changes have come from the movement; including police reform and what it looks like in different states and counties, and explores ways to stay involved beyond businesses hiring more Black, Indigenous and people of color. Addressing and rooting out ingrained systemic inequalities within small teams or whole organizations is encouraged.

👉 **Take Action!**

Buy from black-owned businesses to support communities that are disproportionately impacted by COVID-19 and systemic racism. Look critically at the structure, leadership, policies
