Summary: This is a list of Black businesses in the United States. It allows us to bypass Amazon and put our money where our heart is.

Take Action!

Put your money where your heart is and give unique gifts to your loved ones by using this national list of resources and 303 Magazine's guide to black-owned businesses for the Denver metro (<https://303magazine.com/2020/06/black-owned-businesses-denver/>).
