Summary: Me and White Supremacy leads readers through a journey of understanding their white privilege and participation in white supremacy, so that they can stop (often unconsciously) inflicting damage on Black, Indigenous and People of Color, and in turn, help other white people do better as well. The book goes beyond the original workbook by adding more historical and cultural contexts, sharing moving stories and anecdotes including expanded definitions, examples, and further resources.

Take Action!

Have the knowledge to understand one's participation in white supremacy and to help other white people do better too.
